Cara sambungkan PC Jam Masjid ke Smartphone

- 1. Aktifkan hotspot atau tethering di Android
- 2. Di pc sambungkan ke wifi hotspot
 - Silakan masukkan password hotspot Anda jika ada
- 3. Jika sudah terhubung, buka aplikasi **Network Utilities** di smartphone, jika belum ada silakan install dulu cari di playstore.

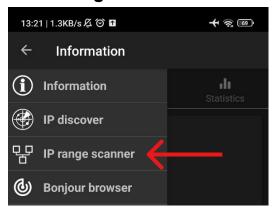

Buka Aplikasi Netwotk Utilities

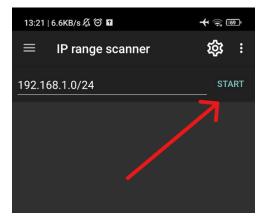

Klik menu

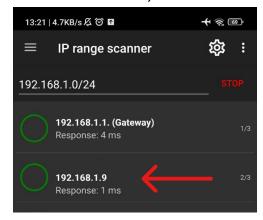

Klik IP range scanner

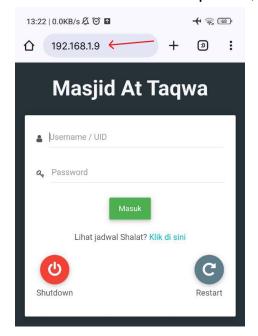

Klik START

Akan muncul ip dari pc (IP Pc Anda mungkin akan berbeda dengan contoh di bawah)

Buka browser di smartphone, masukkan IP PC di url, tekan enter.

Username: 1801 dan Password: 1801, klik tombol masuk.
